Montgomery County Public Schools Program
Cisco Networking Academy and Academy of Information Technology (NAF) – IT Networking

Montgomery College Programs

Montgomery County Public Schools (MCPs) and Montgomery College (MC) have an articulation agreement for the Cisco Networking Academy or the Academy of Information Technology (NAF) – IT Networking and Cybersecurity and Network and Wireless Technologies programs. Students may earn college credits toward their college degrees through the Network and Wireless Technologies College Tech Prep Program if they maintain a B average or better in the high school portion of these. Students will receive advanced standing credit upon their full admission to the College in the relevant degree programs listed below.

Student Directions:
1. Submit an application for admission to MC.
2. Print this Articulation Credit Award Form.
3. Return the completed Articulation Credit Award Form and if required, the test certification forms to your high school registrar for verification.
4. Ask the registrar to attach a copy of the your official transcript to the Articulation Credit Award Form and mail to: Montgomery College, Transcript Evaluator, Office of Admissions and Records, 51 Mannakee St., Rockville, MD, 20850.
5. Sign your name below to signify that you've read over this Credit Award Form and you understand the requirements of earning credit at MC.

**NOTE:** Some of these courses may not transfer to four-year institutions. Check with the four-year institution to determine transferability of Career and Technology Education courses. Students may also be required to take an exam to earn credits for some of these courses. DP = double period; TP = triple period.
