Alumni Association Board of Governors Membership Applications Due February 8 *Opportunity Available to All Former Montgomery College Students*

The nominating committee for the Montgomery College Alumni Association Board of Governors is now accepting applications from former Montgomery College students interested in serving a three-year term, beginning July 1, 2010.

Former Montgomery College students interested in serving on the Board of Governors should apply to the chairman of the nominating committee, Etienne Takougang, no later than Monday, February 8, 2010 at 5 p.m., by completing an online form at <http://cms.montgomerycollege.edu/alumnivolunteerapplication>.

The Board of Governors is the governing body for the Montgomery College Alumni Association. The association operates as part of the Montgomery College Foundation, Inc. The Board of Governors sets policy and program direction for the Alumni Association and its sponsored activities. Board members devote more than 30 hours per year as a board member and receive no compensation. The Board is comprised of up to 36 members, representing a broad spectrum of alumni and retirees.

Alumni Association membership is open to all former students—whether or not they graduated—and all retired staff and faculty of the College. The association relies on active, involved board members to ensure the best results for its members. Nominees for seats on the Board will be recommended by a volunteer interview committee and placed on a slate by the current Board of Governors. Candidates are elected through an electronic ballot sent to Alumni Association members each spring.

An online application form is available at <http://cms.montgomerycollege.edu/alumnivolunteerapplication>). Résumés and other materials in support of the application may be e-mailed to alumni@montgomerycollege.edu, with the Subject line: “Nominating Committee.”

The deadline for receipt of the submission is **5 p.m. Monday, February 8, 2010**. For additional information about the nominating process, contact the Alumni Office at 240-567-7951.
