*Information Available on Admissions, Financial Aid, Academic Services and More*

Montgomery College is hosting a “one-stop-shop” registration event for adult students on Saturday, April 10 from 9 a.m.–4 p.m. This event is a great opportunity for participants to complete all steps of the Montgomery College enrollment process at one time. The event will be held in room 216 of the High Technology and Science Center, at the Germantown Campus, 20200 Observation Drive, Germantown, Md.

Participants will have the opportunity to fill out an admissions application, complete their assessment testing, attend an orientation (MAP) session, speak with a counselor and register for classes. Participants must RSVP as there is limited space. Participants should plan to arrive by 9:30 a.m. and stay for the entire event.

For more information, contact Amanda McIntosh, student services specialist for the Germantown Options for Adult Learners program, at 240-567-6976 or [amanda.mcintosh@montgomerycollege.edu](mailto:amanda.mcintosh@montgomerycollege.edu).
