

Montgomery College **GENERAL EDUCATION COURSES 2010-2011** *Effective Fall 2010*

With **ADVISING NOTES** for Students Interested in
TRANSFER TO FOUR-YEAR SCHOOLS – MC Counseling & Advising Updated 8/27/10

These Montgomery College courses transfer into General Education Programs without question at Maryland public colleges & universities under the Maryland Higher Education Commission’s (MHEC) transfer agreement. This policy does not apply to private or out-of-state schools. To keep transfer opportunities open at schools **outside of the Maryland public system**, consider taking courses listed in **bold & italics** (these have demonstrated greater transferability to general education programs at private and out-of-state schools). The major(s) you’re considering may require specific courses in General Education – refer to individual school catalogs if a major or transfer destination is known. See any Montgomery College counselor/adviser for transfer planning assistance.

>> Students who enrolled at MC prior to Fall 2010 may follow this list or the 2009-2010 list: www.montgomerycollege.edu/gened <<
