

GERMANTOWN CAMPUS

MESSAGE FROM DR. HERCULES PINKNEY, VICE PRESIDENT AND PROVOST,
GERMANTOWN CAMPUS

To all of you joining or returning to Montgomery College on the Germantown Campus—welcome. The sprawling, scenic Germantown Campus is located just 30 miles north of Washington, D.C., between

Route 355 and Interstate 270. This newest Montgomery College campus opened on the current site in 1978.

Today, the campus serves over 6,000 full- and part-time day, evening, and weekend students. Our faculty and staff work closely with the arts community and the businesses on the I-270 high-tech corridor, supported by the resources in the High Technology and Science Center and the county's Germantown Innovation Center in our newly renovated Goldenrod Building. Together, we tailor curricula and courses to prepare our students to work in this dynamic environment.

In maintaining its commitment to the community, the Germantown Campus continues

to encourage the community to use the campus facilities—including conference rooms available in the Goldenrod Building and the auditorium in Globe Hall, as well as the library and physical education facilities—for club, association, or civic activities.

Building on the success of the Germantown Campus biotechnology instructional programs, we have already begun sowing the seeds for the next generation of scientists and laboratory researchers through a collaborative project to construct a Life Sciences and Technology Park, a county-operated technology incubator that opened in fall 2008, and a Bioscience Education Center currently being designed for the Germantown Campus. This visionary project will help ensure that the local biotechnology industry continues to thrive for the benefit of students and the local community.

In the following building descriptions, the codes that appear in parentheses following the building names correspond to the codes used in the campus map on page 19, posted on campus buildings, and published in the schedule of classes.

The Goldenrod Building (GB) contains classrooms and administrative, faculty, and staff offices, including Distance Learning and the Center for Teaching and Learning, in the first floor. The second floor is being utilized by Montgomery County for a bioscience and technology incubator, the Germantown Innovation Center.

The High Technology and Science Center (HT) contains classrooms, computer-equipped classrooms, specialized technology labs, a Technology Center, a Math and Accounting Learning Center, a videoconferencing room, the Globe Hall auditorium with seating for 517, and faculty offices.

The Humanities and Social Sciences Building (HS) contains classrooms, computer-equipped classrooms, the Writing Center and Foreign Language Lab, the library, MC Books & More (the bookstore), the cafeteria, the Child Care Center (licensed to enroll up to 18 children; it is available for student, faculty, and staff use, and for community use as space is available), and faculty offices. The library houses a variety of resources that support the curricula and programs of the College, including books, periodicals, videotapes, CDs, and access to the Internet and other electronic and physical resources. An assistive technologies area supports the research of special needs populations. More information and tutorials are available at the library Web site, *www.montgomerycollege.edu/library*.

The Office Annex (OA) contains College offices.

The Physical Education Building (PG) contains classrooms, a gymnasium, a swimming pool, a weight room, locker rooms, and faculty offices.

The Sciences and Applied Studies Building (SA) contains classrooms, computer-equipped classrooms, lecture halls, an interdisciplinary laboratory and related service center, the Science Learning Center, the Safety and Security Office (open 24 hours a day), the Admissions and Records Office, the Assessment Center, the Counseling and Advising Office, the Financial Aid Office, the International and Multicultural Student Center, the Student Employment Services Office, the Student Life Office, the Student Success Center, and faculty and administrative offices.

ROCKVILLE CAMPUS

MESSAGE FROM DR. JUDY E. ACKERMAN, VICE PRESIDENT AND PROVOST,
ROCKVILLE CAMPUS

Welcome to the Rockville Campus of Montgomery College. The Rockville Campus offers exceptional academic and cultural programs that reflect the international flavor of this suburban campus. The campus opened in 1965 with 2,489 students and now welcomes over 15,000 students. In addition, Workforce Development & Continuing Education students attend classes on the Rockville Campus. The campus is a beehive of athletic and cultural activities in which community members participate along with our students. If you have any questions about the Rockville Campus, please do not hesitate to call my office at 240-567-5010.

The Rockville Campus of Montgomery College will lead, motivate, and inspire our students and partners. As the College's largest and most comprehensive campus, Rockville will remain in the forefront by providing premier learning opportunities for a diverse, dynamic population, offering exciting signature academic and cultural programs and creating a state-of-the-art, welcoming campus. As the vibrant heart of the College and community, the Rockville Campus strives to never skip a beat in responding to the challenges of our global society.

In the following building descriptions, the codes that appear in parentheses following the building names correspond to the codes used in the campus map on page 22, posted on campus buildings, and published in the schedule of classes.

The Campus Center (CC) has MC Books & More (the bookstore), CaféMC, dining rooms, MC Copies (graphics and copy shop), and MC Munchies (candy and snack shop). Also in the Campus Center are the

Assessment Center, the Office of Student Life and Student Activity Center, Workforce Development & Continuing Education classrooms and offices, and the Marriott Hospitality Center (food management student kitchen).

The Child Care Center (CH) is licensed to enroll up to 40 children. It is available for student, faculty, and staff use and for community use as space is available.

The Computer Science Building (CS) houses classrooms, computer laboratories, and other computer facilities.

The Counseling and Advising Building (CB) houses Disability Support Services (DSS), including the Learning Center and DSS offices, and the Safety and Security Office on the first floor (open 24 hours a day); the Counseling/Advising Center, counselor offices, and the Career/Transfer Center are on the second floor.

The Homer S. Gudelsky Institute for Technical Education (GU) is a state-of-the-art technical training facility offering instructional programs in four primary areas: automotive technology, building and construction technology, computer publishing and printing management, and workforce technologies. The facility houses instructional laboratories, classrooms, a conference center, and faculty offices.

The Humanities Building (HU) houses the Writing and Reading Center, the Center for Teaching and Learning, an honors seminar room, classrooms, computer laboratories, a conference room, the Evening and Weekend Adjunct Faculty Office, faculty offices, and the mailroom. The Amphitheatre, adjacent to the Humanities Building, is a vibrant outdoor space for relaxation and special events.

The Interim Technical Training Center (TT) houses a corporate training area, a machine tool production laboratory, a sheet metal

fabrication laboratory, a building and construction laboratory, and classrooms.

The Gordon and Marilyn Macklin Tower (MT) contains the library, the Math/Science Learning Center, the Computer Writing and Language Laboratory, faculty offices, ITV and Media Production Services, and the College Archives. The library houses a variety of resources that support the curricula and programs of the College, including books, periodicals, videotapes, CDs, and access to the Internet and other electronic and physical resources. An assistive technologies area supports the research of special needs populations. More information and tutorials are available at the library Web site, *www.montgomerycollege.edu/library*.

The Music Building (MU) houses a recital hall, a rehearsal hall, practice rooms, studios, an ear-training laboratory, specialized classrooms, and faculty offices. The building is equipped with pianos, organs, and other musical instruments.

The Paul Peck Art Building (AR) contains classrooms; the Sarah Silberman Art Gallery; studios for crafts, sculpture, painting, ceramics, drawing, printmaking, and design; and faculty offices.

The Physical Education Center (PE) includes two all-purpose gymnasiums, a swimming pool with a separate diving area, an apparatus room, a weight room, dance studios, locker and shower facilities, classrooms, and faculty offices. Adjacent to the building are the athletic areas for track, baseball, tennis, and soccer.

The Robert E. Parilla Performing Arts Center (PA) has a 500-seat theatre and is the site for both campus productions and community performances. Its design includes 38 line sets, a greenroom, a Bayreuth pit, a lobby gallery, dressing rooms with showers, and a box office. Student productions are presented here, as are events in the College's Guest Artist Series and Saturday Morning Children's Series. The facility is also used extensively by the public.

The Rockville Annex (RA) contains faculty and staff offices.

The Science East Building (SE) is equipped with biology, engineering, geology, physical science, and physics laboratories, as well as classrooms, offices, and a large lecture hall.

The Science West Building (SW) is equipped with biology and chemistry laboratories. The building also has a lecture hall, general classrooms, science preparation rooms, and offices.

The South Campus Instruction Building (SB) currently houses classrooms, the TRIO Student Support and Gateway to College programs, faculty offices, and the Financial Aid central offices.

The Student Services Building (SV) contains the campus offices of Admissions and Records, International Students Coordinators, Student Financial Aid, Cashier, and Veterans Affairs.

The Technical Center (TC) contains facilities for career-oriented programs, including applied geography, architectural technology, construction management, interior design, graphic arts, computer-aided design and graphics, photography, and television. It also contains classrooms and faculty offices.

The Theatre Arts Building (TA) contains classrooms, laboratory performance spaces, a scenery shop, technical facilities, faculty offices, and a stage and arena for academic performances and College activities.

TAKOMA PARK/SILVER SPRING CAMPUS

MESSAGE FROM DR. BRAD STEWART, VICE PRESIDENT AND PROVOST,
TAKOMA PARK/SILVER SPRING CAMPUS

The Takoma Park/Silver Spring Campus is nestled among charming tree-lined streets and Victorian houses at the edge of Washington, D.C. and it is easily accessible by Metrorail and by bus. Established on this site in 1950, this cosmopolitan campus is the headquarters of the College's health sciences program.

Each semester at Montgomery College's Takoma Park/Silver Spring Campus, we change lives—and change the world one student at a time. Our dedicated faculty bring expertise and offer quality instruction in over 100 different disciplines to more than 6,000 students from over 100 countries. At Takoma Park/Silver Spring, our students are the centerpiece of all our efforts. We offer a wide variety of learning-centered educational opportunities that affirm our commitment to ensuring student access, retention, and success. Our campus is home to the Paul Peck Institute for American Culture and Civic Engagement and the School of Art + Design.

The Takoma Park/Silver Spring Campus continues to expand. A 58,000 square-foot Performing Arts Center is scheduled to open in September. This state-of-the-art facility contains a 500-seat auditorium/theater, a 125-seat thrust stage theater, several classrooms, a film editing studio, an art gallery, and a dance studio. The 350-space West Campus Parking Garage will also be completed this fall. The renovated Commons Building on the east campus is expected to open in January 2010 and will include nine new high-tech classrooms, a social science computer lab, and the Bliss Conference Center and Lecture Hall.

We are proud of the many relationships

we develop with business and community organizations. Our students gain valuable work experience through internship and volunteer opportunities, which enhance their classroom learning.

We welcome your presence at the Takoma Park/Silver Spring Campus, or any other Montgomery College campus, in person or via distance learning. Please experience our campus and take advantage of our top-notch academic and cultural offerings, participate in discussions sponsored by our Paul Peck Institute, visit our art gallery, use our tennis courts and swimming pool, or attend a lecture or theater performance.

In the following building descriptions, the codes that appear in parentheses following the building names correspond to the codes used in the campus map on page 25, posted on campus buildings, and published in the schedule of classes.

The Child Care Center (DC) is licensed to enroll up to 26 children. It is available for student, faculty, and staff use and for community use as space is available.

The Commons (CM) will include a social sciences computer lab, a lecture hall, classrooms, conference rooms, and offices. It is scheduled to open in January 2010.

The Communications Arts Center (CA) houses classrooms and faculty offices.

The East Campus Garage (EG) provides parking for Montgomery College students, employees, and visitors.

The Morris and Gwendolyn Cafritz Foundation Arts Center (CF) houses classrooms, art studios, an art gallery, faculty offices, community use studios, and a library.

The Health Sciences Center (HC) provides state-of-the-art health sciences classrooms, laboratories, and other facilities. It also houses a community health center operated by Holy Cross Hospital that offers a valuable learning experience for student nurses. In addition, the College's Workforce Development & Continuing Education Unit operates a business training center on the first floor of the building.

The Mathematics Pavilion (MP) contains classrooms, the Math Tutoring and Open Lab, and math faculty offices.

North Pavilion (NP) houses faculty offices and administrative offices associated with campus construction projects.

Pavilion One (P1) contains classrooms and faculty offices.

Pavilion Two (P2) contains faculty and other offices.

Pavilion Three (P3) contains classrooms and faculty offices.

The Performing Arts Center (PC) will house two theaters, a dance studio, a film editing studio, classrooms, and offices. It is scheduled to open in fall 2009.

The Resource Center (RC) houses the library, classrooms, faculty offices, the Social Sciences Computer Center, and the Writing and Reading Center. The library houses a variety of resources that support the curricula and programs of the College, including books, periodicals, videotapes, CDs, and access to the Internet and other electronic and physical resources. An assistive technologies area supports the research of special needs populations. More information and tutorials are available at the library Web site, *www.montgomerycollege.edu/library*.

The Science North Building (SN) houses chemistry, engineering, biology, and physics laboratories; the Math/Science Learning Center; and faculty offices.

The Science South Building (SS) houses the Mathematics Interactive Computing Classroom, a planetarium, a greenhouse, and faculty offices.

The Charlene R. Nunley Student Services Center (ST) houses the Office of Admissions and Records, the International Students Coordinator's Office, the Counseling Center, the Assessment Center, the Career/Transfer Center, the Office of Student Financial Aid, MC Books & More (the bookstore), MC Copies (graphics and copy shop), MC Munchies (candy and snack shop), the Office of Student Life, the Cashier's Office, the cafeteria, the mailroom, the Office of Safety and Security (open 24 hours a day), computer-equipped classrooms, and open labs.
