MEMORANDUM

To: Montgomery College Leaders

From: Dr. Donald M Pearl, Senior Vice President for Academic Affairs

Subject: Reminder for 2012 Fall Middle States Annual Status Update

Montgomery College is required by Middle States Periodic Review Report to submit information of our follow-up actions and responses to recommendations from the previous team report and institutional self-study. This is a reminder that we are accountable for implementing the actions toward completion of the recommendations and providing the annual status updates. In order to include the latest information of our progress in the 2013 Periodic Review Report, please be prepared to submit the status updates by November 30, 2012.

The Office of the Vice President for Planning and Institutional Effectiveness will continue to facilitate the annual status updates compilation process. Details will be forthcoming. For your convenience, I am attaching the individual Unit Report listing the recommendations under your purview.

You can also learn about the progress of the 2013 Periodic Review Report by visiting the web site at <http://cms.montgomerycollege.edu/msss/2013pr>. Please contact the Office of the Vice President for Planning and Institutional Effectiveness at 240-567-7971 for further information.

Thank you for your attention to the important initiatives that were identified during our Middle States Review process. I wish each of you a great semester.
