Test of Essential Academic Skills Review Log

Math Learning Center
Montgomery College, Takoma Park/Silver Spring Campus, High Technology (MP), Room 249

Welcome to the Math Learning Center (MLC). The MLC has a variety of resources available to help you better prepare for the math section of the Test of Essential Academic Skills (TEAS). Math tutoring is also available on a walk-in basis and by appointments.

Before arriving to the MLC, make sure you have your TEAS Version V Study Manual and other materials (paper and pencil). Remember, calculators are **not** permitted when you take the TEAS.

In order to officially log your hours at the MLC, please follow the instructions below.

1. Each time you come to the MLC sign in.
2. To record your test preparation activities, write information in the appropriate space below.
3. If you are meeting with a tutor, review and practice math problems until s/he is available.
4. Communicate to the tutor that you are preparing for the TEAS and will need his or her signature once the tutoring session has been completed.
5. When the tutoring session is complete, list the subject(s) you reviewed in the table below and have the tutor sign your log; this signature verifies that you received tutoring at the MLC.

If you are engaged in mandatory remediation, submit a copy of your completed log(s) at HS, room 130.

Student Name: _____

Date	**Subject(s)**	**Time In**	**Time Out**	**Tutored** (check on)		**Tutor Signature**
				Yes	**No**
