Board of Trustees Academic Specialty Scholarship Application

The **Board of Trustees (BOT) Academic Specialty Scholarship** is for talented Montgomery County high school graduates who plan to enroll at **any Montgomery College campus in the fall of 2013**. This is a **one-year** (two semesters: fall 2013 and spring 2014) scholarship that covers the full-time cost of tuition and fees (at the county resident tuition rate up to a maximum of 15 credits per semester, pending available funding). This award does **not** include the cost of books, supplies, or personal expenses. The award is based on academic achievement and potential, not financial need. In addition, **pending sufficient funding**, recipients of the 2013–2014 academic year BOT Academic Specialty scholarships may be eligible for an extension of their scholarship for a second year of study at Montgomery College, if the recipient maintains a cumulative Montgomery College GPA of **3.5** or higher.

The **BOT Academic Specialty Scholarship** is a competitive program awarding scholarships to high school graduates entering any of the College's degree programs. (Please consult the *Montgomery College Catalog* for a description of each degree program.) A committee will review the applications and select the recipients. Students will be considered for an award based on their demonstration of academic potential and their essays.
