

**TRANSFER OF COURSES
BETWEEN
MONTGOMERY COLLEGE AND
THE ART INSTITUTE OF WASHINGTON**

1. Students transferring to AiW with the Associate's degree from MC will be guaranteed admission to the institute in one of the commercial art programs.
2. Students will have completed their General Education courses except for the additional Art History courses required for NASAD accreditation.
3. AiW will evaluate credits that students have earned through Advance Placement (AP) and College-level Examination Program (CLEP). AiW will also evaluate courses and credits earned at other accredited institutions of higher education.
4. Students may transfer up to 96 quarter credit hours into The Art Institute of Washington that can be applied towards their Bachelor's degree. Each course at AiW is a four-credit course, except for Life Skills (LS095) which is a one-credit course.
5. Transfer students will be required to take program-specific 100- and 200-level courses after transfer to AiW. If students know they want to transfer to AiW, they can be admitted for early decision and co-enroll to take their 100- and 200-level program-specific courses as they complete their Associate's degrees at MC.
