II: Access, Affordability, and Success

PREFERRED FUTURES

- By 2020, Montgomery College will provide students with a successful experience, from the first connection through to the completion of students' desired goals. Faculty and staff will welcome students from diverse backgrounds, support student success, and focus outreach efforts on helping Montgomery County communities understand how students can attend college and access appropriate supportive resources, especially financial aid. The College will educate students and family members about College expectations and financial options.
- By 2020, Montgomery College students will be representative of the Montgomery County population with its significant international diversity. Students will be integrated into the ethnic fabric of campus life as College faculty, staff, and administrators empower them to change their lives and enrich our communities with excellent, consistent, and accessible advising, counseling, and support services.
