## Board of Trustees Academic Specialty Scholarship Application

The Board of Trustees (BOT) Academic Specialty Scholarship is for talented Montgomery County high school graduates who plan to enroll at any Montgomery College campus in the fall of 2017. This is a one-year (two semesters: fall 2017 and spring 2018) scholarship that covers the full-time cost of tuition and fees (at the county resident tuition rate up to a maximum of 15 credits per semester, pending available funding). This award does not include the cost of books, supplies, or personal expenses. The award is based on academic achievement and potential, not financial need. In addition, pending sufficient funding, recipients of the 2017–2018 academic year BOT Academic Specialty Scholarship may be eligible for an extension of their scholarship for a second year of study at Montgomery College, if the recipient maintains a cumulative Montgomery College **grade point average of 3.5 or higher**.

The BOT Academic Specialty Scholarship is a competitive program awarding scholarships to high school graduates entering any of the College's degree programs. (Please consult the Montgomery College Catalog for a description of each degree program.) A committee will review the applications and select the recipients. Students will be considered for an award based on their demonstration of academic potential and their essays.

The deadline to apply for a fall 2017 BOT Academic Specialty Scholarship is March 1, 2017. Students will be notified of the decision of the scholarship committee by May 1, 2017.

To be considered for a BOT Academic Specialty Scholarship, students must meet the following requirements:

- May/June 2017 Montgomery County public/private high school graduate
- Admitted to a degree program at Montgomery College
- Minimum 3.0 high school grade point average (weighted grade point average)
- Plan to attend Montgomery College for both fall 2017 and spring 2018. Recipients who do not enroll for fall 2017 will lose their award.

To be considered for a BOT Academic Specialty Scholarship, students must submit the following materials:

- Official high school transcript, **including first-semester senior year grades**
- BOT Academic Specialty Scholarship application form with essays attached
- Recommendation from a high school teacher, counselor, or principal

**Please return all application materials to:**

**IMPORTANT NOTES:**

- Students who apply for the Montgomery Scholars Honors Program for fall 2017 do not need to complete a BOT Academic Specialty Scholarship application. Montgomery Scholars applicants who are not admitted into the Scholars program may be considered for BOT scholarships based upon the complete application materials submitted to the Scholars program.
- Priority consideration for BOT scholarships will be given to students who intend to enroll at Montgomery College for at least one academic year (two semesters: fall 2017 and spring 2018).
- If a recipient is eligible for a tuition waiver of any type, the recipient will have his or her fees covered by the scholarship award (up to 15 credits at the in-county rate).

**Please contact the Scholarship Office at 240-567-4021 ([scholarships@montgomerycollege.edu](mailto:scholarships@montgomerycollege.edu)) if you have any questions concerning this scholarship program.**
