7. From the Fall 2016 Compliance Matters newsletter, provide one step you can take to protect yourself and the college from a phishing attack.

- Take time to read an email in full before you respond or take action.
- Be skeptical and professional about email.
- Don’t let yourself be pushed into an action.
- Report, using your reporting button in Outlook, or by sending a copy of the email to phishtrap@montgomerycollege.edu.
