MONTGOMERY COLLEGE / ROBERT H. SMITH SCHOOL FREQUENTLY ASKED TRANSFER QUESTIONS:

- 1. May I apply to UM before the semester in which I earn my 60th credit and then try for admission to Smith?** Yes, but you will still need to complete the courses as outlined above and apply for admission to Smith by the deadlines indicated. You may transfer to UM after you have completed 30 credits which must include EN 102/109 (Fundamental English) and MA 160 or MA 116 (Fundamental Math) & 5 CORE courses. Consider which environment will allow you to earn the most competitive grades. Students enrolled at UMCP do not get a preference in admission to Smith – the factors considered first are overall GPA and grades in Gateway courses.
- 2. How do I apply to Smith?** File ONE application - apply to the University through the Application for Transfer Admission and list BMGT as a major. There is not a separate application form for Smith. Include your resume describing business/leadership/volunteer experiences in the Essay section of the Application for Admission. Smith/Main Campus admits students both Fall and Spring; Shady Grove admits in the Fall only. Apply early – prior to deadlines listed!
- 3. Will being in the Maryland Transfer Advantage Program (MTAP) help me get into Smith?** Although MC recommends enrolling in MTAP, it does not guarantee admission into Limited Enrollment Programs (LEP's) including Smith/Business. MTAP enrollment provides more advising opportunities. www.montgomerycollege.edu/MTAP
- 4. What kind of GPA do I need to get into Smith?** Students need a minimum 3.0 to be considered; however, spaces are very limited and admitted students typically have a GPA higher than a 3.0. *Visit an Open House at each campus of interest for more information.*
- 5. Will any course at MC transfer as an elective?** No. Choose electives with care. The following business courses @MC are NOT accepted by UMCP as electives for **business majors - Any AC except AC 201 & 202; any CA except CA 120; BA 211; MG 101, MG 110, MG 121, MG 205** (footnote 11, Transfer Credit Center). Some will transfer as electives for majors OTHER than business. Suggested possible electives: Any additional course from the MC General Education Program; any 3-credit HE health course. **Check the transferability of ALL elective courses you choose** on the **UMCP Transfer Credit Website: www.tce.umd.edu/** Note also that MG 201, Business Law is not required – it transfers as an ELECTIVE only. It is optional in the MC Business AA degree.
- 6. May I take CLEP Exams in a world language to earn elective credits?** UM will not accept CLEP language tests; however, many other CLEP and AP test scores will transfer – see the list here: www.tce.umd.edu/apibclep.html
- 7. What if I have more than one repeat of a Gateway course/or have taken more than 60 credits/ or need more than 2 Gateway courses in my last semester at MC?** Students in these cases may apply with an appeal, but few appeals granted & most have solid justifications and backed by a very high overall GPA. Discuss with an adviser.
- 8. Do I need to take the TOEFL Test if my first language is not English?** Yes, unless you complete an AA degree OR if you have a very high overall GPA and A's in EN 101 & EN 102 or 109.
- 9. Is an AA from MC required?** No, but completing an AA opens more scholarship opportunities and assures that you will be admitted to UM if you choose an alternate major that is not a Limited Enrollment Program (LEP). If you are completing an AA at MC, be sure to mention this in the essay portion of the application for admission.
- 10. Is there a separate application for Shady Grove?** Students interested in applying to Shady Grove only can fill out a separate application located on their website, www.rhsmith.umd.edu/undergrad/shadygrove/ or specify an interest in both the Main Campus and Shady Grove on the Main Campus Transfer Admission Application.
- 11. How can I get involved in activities at Montgomery College?** UM wants to see a pattern of leadership/volunteer/related work activities on your resume. Seek out opportunities: **Find the Montgomery College Office of Student Life.** Join a club, or start one! ; **Volunteer activities** - www.montgomerycountymd.gov/volunteer provides starting point ideas; **Internships & Work Opportunities:** www.montgomerycollege.edu/ejobs ; **Honors Courses** www.montgomerycollege.edu/advantage/honors/ - challenge yourself, 3.2 gpa required; **The Macklin Business Institute** - www.montgomerycollege.edu/macklin - an honors business program for MC sophomores; apply in the spring of the freshman year. Choose classes as shown if you wish to become a Macklin student /see an MC adviser.
